♪ *Becka deHaan* ♪

Becka deHaan's style is described as "a traditional yet soulful, spirited sound." Blending her classical background with black and bluesy influences such as Eva Cassidy, Patty Griffin and Maria Maldaur, and adult contemporary influences such as Susan Ashton and Fernando Ortega, she produces a unique offering of both original and cover material on piano and voice, on flute and harmonica--an offering that has moved audiences to tears and roused them to standing ovations.
